TRAINING PROGRAMME and **NOTABLE DATES FOR 2020** (Issue 6)

Pool sessions, Saturdays
3.30pm to 4.30pm

Theory 2.30pm to 3.25pm on selected dates

The training programme aims at sub dividing the year into six periods of nominal five to six weeks duration, accommodating school and public holiday commitments. Recognising schools have differing term times, the actual dates can at best only be a compromise.

We now offer the Experience Snorkelling and Dolphin Snorkeller courses. Our 'core' courses of 'Snorkel Diver and Advanced Snorkel Diver' are available throughout the year whilst the more advanced courses are 'scheduled-in' as indicated.

All pool and theory instruction is provided free of charge by nationally qualified BSAC snorkel instructors and branch assistant instructors (under the mentoring of the BSAC instructors).

Open water sessions will be arranged throughout the summer (subject to weather conditions). Wet suits and all safety equipment are provided on a first come first served basis (the club presently has ten full sets of equipment for open water use).

The scheduling of courses is indicative and may be subject to change. Any change will be notified in advance

Holiday courses are available

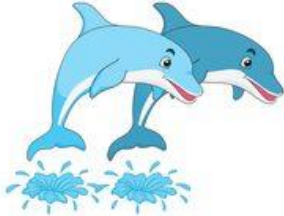

- Full Course of 6 pool sessions and 1 theory lesson
- Short course of 1 pool session and 1 theory lesson.
- The Club AGM to be held on Saturday the 25th Jan 2020, and branch officers elected. Election as branch official is open to any BSAC member
